On the south-facing slopes of the Schapenberg sits Waterkloof, a regenerative farm, vineyard & winery producing truly fine wine with a defining sense of origin.

53 hectares of the 100 hectare farm are dedicated to vines, whereas the other half is aside to preserve the rare and abundant natural vegetation, fauna and flora.

In 2008 Waterkloof was awarded Champion Status by the World Wildlife Fund's Biodiversity & Wine Initiative.

NORD is excited to showcase the wines of Waterkloof.
