# PISANO

ARTESANIA EN VINOS FINOS

Pisano Family Wines belongs to the a group of small family vigneronos with an artisan tradition of making wines that reflect the character of the land, and the people who make them.

Nestled in Progreso, this family-run estate traces its roots back to 1914.

They balance tradition with experimentation, selecting clones, adjusting yields, and refining techniques to capture both the grape's depth and the land's character.

The wines are expressive, shaped by a century-old Italian-Basque heritage, and delivered with unmistakable Uruguayan soul.
